1. Include the department's **Strategic Plan** and label it Attachment 1—Strategic Plan.

Note. Before completing Section 2, update your mission statement (if necessary) in UAOPS. Also update the unit profile for your department as a whole, and update the profile for each of your degree programs. (For UAOPS assistance, the contact is Julie McAdams in OIRA).

2. After revising UAOPS, print the current department mission statement, department profile, and each degree program's profile. Include the mission statement and profiles in this report as the second attachment, labeled Attachment 2—UAOPS Mission Statement and Unit Profiles.

(Citations appear in such sources as ISI's Science Citation Index, the Social Science Citation Index, and the Arts & Humanities Citation Index). *If citation indices are unavailable in the discipline or computation of citation ratios is misleading, provide any other evidence you may have of the frequency of faculty research citations.* If appropriate, also include awards from the NEH, NEA, Guggenheim Foundation, American Foundation, American Council of Learned Societies, and other sources.

7. Briefly describe the undergraduate and graduate **teaching loads** and **advising** responsibilities of faculty for the past academic year.
