7. *Average **ACT or SAT** scores and undergraduate **GPA** for each major for last 3 fall terms
8. *Percentages of **letter grades** assigned in undergraduate courses for past 3 years
9. Describe any anticipated **changes** in undergraduate semester credit hour production in your department for the next 3 years and discuss the reasons for anticipated changes.
10. Describe any anticipated **changes** in the number of undergraduate students in specific majors in your department for the next 3 years and discuss the reasons for anticipated changes.
11. Describe any undergraduate **curriculum reviews** that have occurred since the last review.
12. Chancellor Portera and President Witt are looking for opportunities for the three campuses of The University of Alabama System to work together more closely. What is the feasibility of offering one or more of your **undergraduate degree programs with UAB and/or UAH?**
Note. Working with other institutions on an existing degree program might take a number of forms, e.g., beginning to offer a long-standing UA program as a “cooperative” program with UA still the primary institution for program resources and administration. Alternatively, it could take the form of a “shared” program that is mutually sponsored by two or more institutions but would not be terminated if one of the institutions becomes unable to meet its obligations to the shared program.
